

Overview

Powerback is one of the largest and strongest rehabilitation organizations in the country, primarily serving the older adult population. Powerback is a new way of delivering recovery, rehabilitation, respiratory, and wellness services to patients across the nation. Our reimagined approach is centered on transforming the road to recovery for everyone and helping patients get their *power back*. It's patient-centered care that provides a sustainable way of feeling, moving, breathing, and living *better*.

Service Lines

Powerback Rehabilitation®

Powerback Rehabilitation partners with skilled nursing centers, assisted living facilities, independent living facilities, hospitals, home health companies, adult day care programs, and outpatient clinics to provide comprehensive therapy and wellness services.

Powerback Rehabilitation *To you*

Powerback Rehabilitation To You is an extension that provides outpatient rehabilitation services directly to the patient, whether that be in their home, community, or neighborhood.

Powerback Respiratory

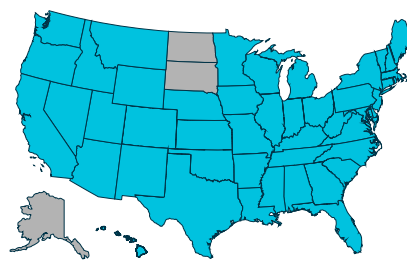

With Powerback Respiratory, our licensed respiratory therapists offer an interdisciplinary, collaborative approach to care that positively impacts rehospitalizations and prepares patients for re-entry into the community through clinical services, education, equipment, and full-service ventilator programs.

Powerback Consulting

Powerback Consulting provides effective solutions that will optimize Medicare Best Practice, facility compliance, operations and appropriate reimbursement.

Census & Marketing Support

Powerback Rehabilitation provides marketable and measurable resources for success with increasing occupancy, referrals, and revenue such as:

- Market analysis to create a broad picture of your existing market, customers, competition, and growth potential.
- Outcomes & performance management reporting.
- Promote continuity of care to patients through our network of contract therapy sites of service and through our home/community-based therapy division, Powerback Rehabilitation To You.
- Direct marketing support through our on-site therapy team as they participate in community events and the promotion of our better-than-national clinical outcomes.

Wellness Programming

Powerback has created a dynamic and encompassing program, Age In Motion®, to support seniors across the continuum. Age In Motion includes in-person live sessions and online access to a selection of live, virtual, or prerecorded workshops, fitness classes, wellness tips and resources, and personalized milestones which are guided by our enthusiastic team of specialists.
